BUILDER'S COLLAPSE

DEATH OF MR. F. WHITAKER.

WORKING ON BRIDGE IN PARK.

When working on a new structure to replace the Poet's Bridge over the main lake at Pukekura Park Mr. F. W. Whitaker, a well known New Plymouth contractor and builder, collapsed suddenly and died at 1.30 o'clock yesterday afternoon. Death was believed to be from heart failure and life was extinct on the arrival of Dr. E. F. Fookes.

Mr. Whitaker came to New Plymouth some years ago as manager of the construction firm of J. T. Julian Ltd. Later he set up in business on his own account and handled large contracts in the district. He was responsible for some of the work at the Taranaki Rugby Union's new ground, Rugby Park, at Westown.

He leaves a widow, two daughters, Misses I. and J. Whitaker, and a son, Mr. F. Whitaker, a well known Rugby football player.
