

# Motonui church anniversary

The Reverend Mark Wendelborn with some of the parishioners of the Motonui district, on the steps of St Stephens Church.

St Stephens Motonui is celebrating its 50th anniversary on August 21 with a special service at 11 a.m. followed by a "pitch-in" luncheon in the hall. Local residents have been invited, also those who have past connections with the church will be welcomed.

A special invitation is extended to members of the Stockman family; descendants of the late Emily Stockman. Mrs Stockman, a past postmistress of the district was the prime mover in raising funds to build the church.

## GUEST SPEAKER

Mr Wilf Faull, who has a wealth of memories of the earlier days, will be speaking at the luncheon, and it is hoped that others will also come forward to tell some of their stories and recollections of the first fifty years of the Motonui Church.

## Inglewood Ladies golf results
