

KNOX CHURCH OPENING

The new Knox Presbyterian Church at Fitzroy was recently officially opened and dedicated. Needless to say the church was packed for this milestone in its history. It is to be hoped that it will continue with every seat occupied. Above: The new church makes an imposing addition to Devon Street at Fitzroy. Below, left: Clerk of the Assembly, the Very Rev. S.C. Read (ex St. Andrew's, NP) opened and dedicated the church. Here he knocks at the door. Below, right: Surrounds of the church are very attractive with pebble gardens, emblazoned with this cross. Bottom: Scene inside the church at the opening service.
