Hawera & Normanby Star — 12 October 1915

Mr Howes reported that a new church had been erected at Awatuna, complete with furniture, organ, communion table, hymn books and pulpit Bible. With one or two small exceptions, the whole had been the gift of two members of the congregation. The dedicatory services were conducted by the Rev. Mr Shore, Mr Kirgan and himself, and the title deeds had been forwarded to the General Treasurer, Wellington.

The hearty thanks of the Presbytery were extended to the donors of this handsome gift.
