

YFC bid for house

This house on the southeast corner of Vivian St and Brougham St in New Plymouth could become Youth For Christ's new city headquarters.

YFC has applied to the city council for planning consent to use the house as offices.

YFC New Plymouth director John Pritchard says it will be able to buy

the house freehold if its present building in Gover St is sold.

Present owner of the Vivian St house Phil Clemow said it was built in 1909 as a doctor's residence with a surgery and later divided into upstairs and downstairs flats.

The market price was not available.
