# WAR MEMORIAL PLAN APPROVED

The plan proposed at a public meeting at Eltham to regard the erection of a new grandstand at and general improvements at Taumata Park as the war memorial for the Eltham borough and district was accepted at the monthly meeting of the Eltham Borough Council on Thursday.

Many soldiers had been associated with the park for many years of their lives and the scheme was an excellent one, said the mayor, Dr. D. H. Saunders. Practically every section of the community would benefit from the scheme.
