
Drive For Funds For Mangorei Hall

Plans for the community hall to be built in the Mangorei district as a memorial to ex-servicemen who lost their lives in the Second World War were advanced a stage further last night when future developments were discussed at a public meeting convened by the Mangorei Combined District Memorial Community Hall Committee. Mr. N. Ross presided over a good attendance.

After a full discussion it was unanimously agreed that a committee be set up to organise a determined effort to raise a further sum of money for the hall. Sub-committees were also appointed to inaugurate the drive, which is expected to last for six weeks.
